Lab Experiment \_\_\_\_\_

**What I did:**

A large, empty rounded rectangular box with a thick black border, intended for students to describe the steps of their experiment.

**What I saw:**

A large, empty rounded rectangular box with a thick black border, intended for students to describe the observations made during the experiment.

**I think this happened because...**

A series of horizontal lines for writing an explanation. It consists of a solid top line, a dashed midline, and a solid bottom line, repeated twice.
